Douglas County Sheriff: "Law Enforcement Activity in Highlands Ranch on February 6, 2021: Please take this very dangerous situation that occurred so very close to home as a wake-up call to remove all opportunities for the criminal element coming into our county to victimize us all. PLEASE empty out and lock your vehicles, don't leave your vehicle running unattended, and close your garage doors. These simple steps are highly effective in preventing these crimes that are occurring all too often throughout the Denver Metro Area." The Code Red Shelter in Place order was sent at 6:20 a.m. due to search for two armed suspects breaking into cars. Deputy's searched Cheese Ranch and the Links Golf Course and stopped residents leaving The Village. The Shelter in Place order was lifted after the capture of one suspect. They determined the other suspect managed to escape their perimeter.

Wendy Baird – March 16
Sandy Gerken – March 21
